

# T7

## T7 4G LTE POC Radio

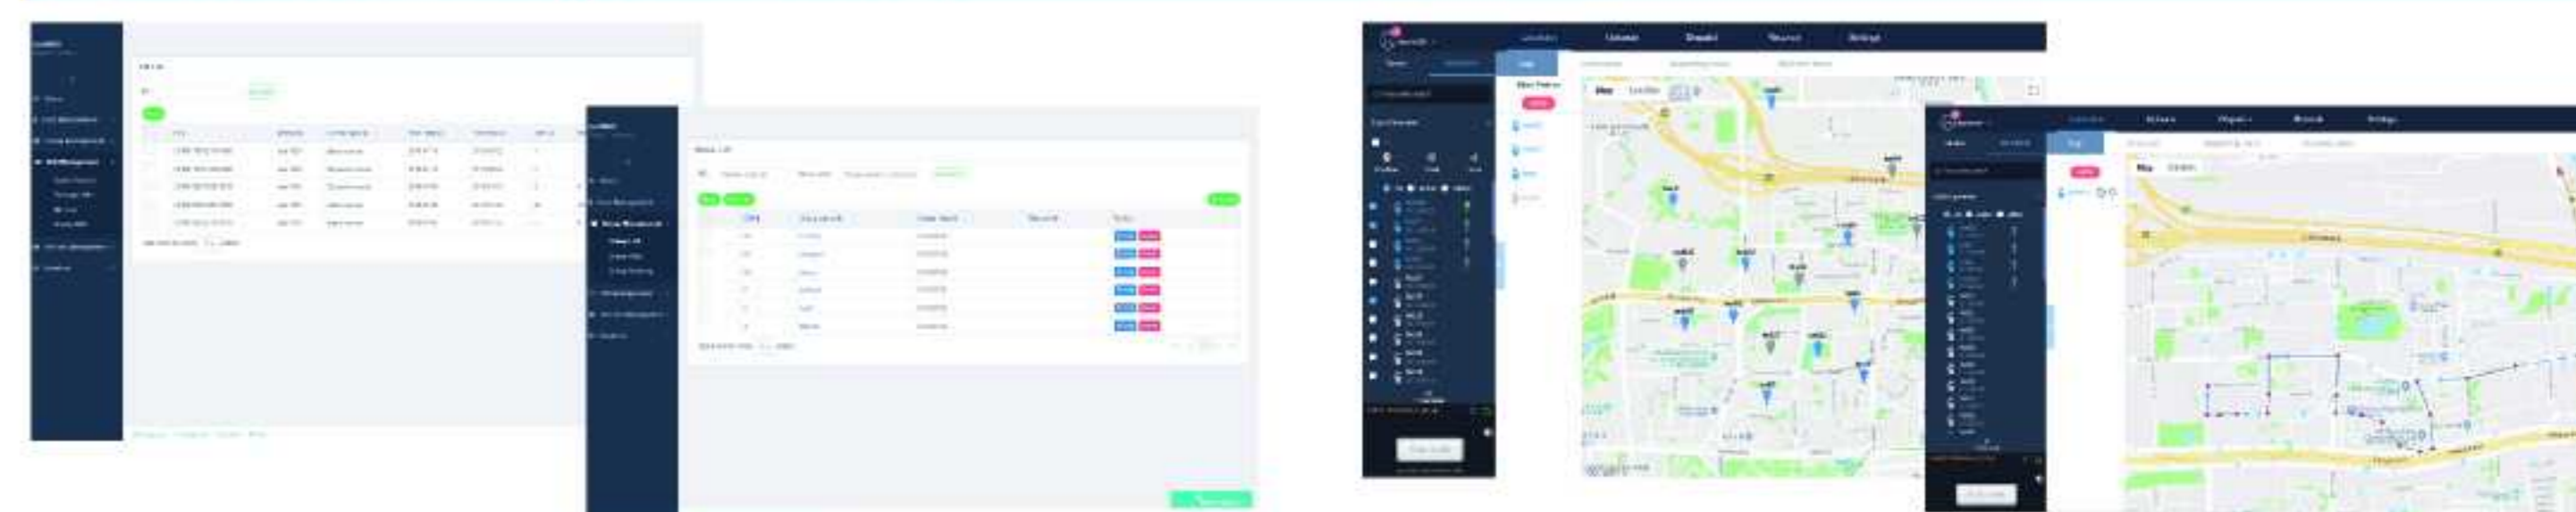

- POC Radio with 4G-LTE Network
- CPU: MDM 9x07
- 1.77"inch Color Screen
- Random combination group and group call, selective call to achieve one-to-one communication;
- Battery Capacity: 5000mAh
- GPS Accurate Navigation and Positioning
- Battery power and network quality, power on voice broadcast;

QuanZhou TieTong Epoch Technology Co., LTD

# T7

## T7 4G LTE POC Radio

### Platform & Dispatch center

### Parameter

Radio Structure	Straight Panel, External Antenna , 5 Press key	
Size	112 x 56 x 42 (mm)	
Weight	223g	
Configurations	CPU	MDM 9X07
	RAM	1GB(32Mb*32 ) DDR2
	Storage	2GB(256Mb*8 ) NAND
	OS	LINUX
	Language	Chinese,English
Network	Radio method	LTE /TD TD-SCDMA
	Frequency	LTE FDD: B1, B3, B5, B8 /LTE TDD: B38, B39, B40, B41/WCDMA: B1, B5, B8/ TD SCDMA: B34, B39/ GSM: B3, B8
GPS	GPS/AGPS	
USB	USB test point , USB 2.0 HS ,	
SIM Type	Standard SIM card	
PTT function	Communication method	Half duplex ( Implement by software )
	Speaker Vol	Volume adjustment by analog mode
	Tx / Rx SW	Press the PTT button to talk, release PTT button to receive voice
Sound I/O	Speaker	Rated output power: 1.5W , maximum output power: 2.0W
	Microphone	Single MIC
Battery	Thick battery : 5000mAh	
Desktop charger	Input : AC 100-240V, 50/60Hz Output : DC 5V, 1A	

Antenna Belt clip Hang rope Li-polymer battery pack Smart charger Power adapter
